

Good Day Fellow Teachers,

As we are delving deeper into the “meat” of classes, I thought it would be helpful to provide you with some troubleshooting suggestions and tips and tricks that may help you and your students avoid the stress/panic of any tech issues that may arise. Please do not hesitate to reach out with any questions or other areas of guidance that you would like. Click on the links below to watch a quick video on how to resolve some common issues:

- [Students cannot access Google Drive docs within Canvas](#)
- Parents want to link their account to their child's Canvas: [written directions](#) / [Video tutorial](#)
- [Canvas Overview for Students](#)
- [Changing Canvas Notification settings \(students and staff alike\)](#)
- [Update your SMART Notebook](#) (In order to [mirror your iPad](#) this needs to be done! Here are some [examples](#) of why you might want to do this)
- [How to organize the blue navigation links in Canvas](#)
